Dear Mr. Taylor:

Enclosed is the first quarterly report of progress made by Madera County CUPA toward correcting the deficiencies identified in the June 7, 2006 evaluation of our CUPA program. Madera County CUPA is grateful for the assistance and advise that we have received from State evaluators on how to improve our program. The evaluation has helped us to emphasize the importance of having an adequate well trained CUPA staff. Please contact Ann Rolan at (559) 675-7823 or arolan@madera-county.com for any questions or further assistance.

Sincerely,

Jill S. Yaeger
Director,
Madera County Environmental Health
